

We are so glad you found us and hope you discover two things by visiting us today. First, we want you to know that New Life is a safe place, simply because we are a group of normal people that face normal challenges every day. Our hope is in God's unmerited love and favor in our lives. Secondly, we hope you discover this powerful and life changing love of God through the Holy Spirit and join us as we love God, love others, love serving and experience peace in the midst of trials and times of deep heart hurts.

Please keep our family in your prayers as we recently are reliving memories of the horror of deep heart hurts related to the stages of grief of a love one. October 2010, Tony Freeze was diagnosed with stage 4 lung cancer. Tony is my daughter Shannon's father-in-law and a good friend of mine since 1997. After Floyd died Tony relocated Freeze Paint and Body Shop to 850 McKee and leased my warehouse.

November 26th 2010 Tony lost his battle with cancer, but he never lost his faith or hope in Jesus. Tony lives the New Life with Christ in eternity forever.

Born January 8th 1946 Tony finished his race November 26th. 2010.

*We must always remember that God's ways are not our ways. For it is written in Isaiah 55: 6-11
6. Seek the LORD while he may be found, call him while he is near.7. Let the scoundrel forsake his way, and the wicked man his thoughts; Let him turn to the LORD for mercy; to our God, who is generous in forgiving. 8 For my thoughts are not your thoughts, nor are your ways my ways, says the LORD. 9 As high as the heavens are above the earth, so high are my ways above your ways and my thoughts above your thoughts. 10 For just as from the heavens the rain and snow come down And do not return there till they have watered the earth, making it fertile and fruitful, Giving seed to him who sows and bread to him who eats, 11 So shall my word be that goes forth from my mouth; It shall not return to me void, but shall do my will, achieving the end for which I sent it.*
